Request for Credit Completed in College Courses While in High School

- NYU considers the transfer of credit for college courses completed while in high school if:
 - the student received a grade of "B" (not "B-") or better in the courses
 - the courses are equivalent to courses offered at NYU
 - the course work is in addition to the requirements for high school graduation (these courses should not appear on the high school transcript)
- College courses may be used to satisfy Gallatin foundation requirements.
- Students wanting to receive credit for college courses completed while in high school should verify that their college transcripts have been received by NYU by inquiring at Gallatin's Office of Student Services (1 Washington Place, 8th floor – Students must show their NYU ID card).
- If the student's official college transcript has not been received by NYU, the student should request to have the official college transcript (not the high school transcript) sent to:

Gallatin School of Individualized Study
