ROOM 430 HAS A ZOOM SOLUTION FOR USE DURING IN-PERSON INSTRUCTION SESSIONS.

Please visit the NYU Zoom page (opens in a new window) for Zoom Classrooms instructions and demo video.

- Use the laptop in the classroom to project to the Zoom Box.

Or

- Alternatively, you can connect your laptop to the NYU wifi network, start a Zoom session, and then type the Zoom meeting ID on the crestron touch panel to join your zoom session on the Zoom Box.

Please do not use the installed AV equipment in classrooms. This equipment is disabled and not functional for Fall 2020.

Zoom solutions include:

- Large flat panel monitor or Projector
- Video conferencing system with Zoom installed
- Camera, Mic, Speakers
- 25 foot HDMI cable

Effective Fall 2020
Features
